Year 10 Mid-course Examinations

Monday 13th November – Monday 20th November 2017

Dear Parent/Carer

The Year 10 mid-course examinations will take place in the period of **Monday 13th November – Monday 20th November 2017** as published in the school calendar. The subject examination timetable for students is overleaf. An additional listening exam will take place in all Modern Languages and will be carried out in a French, German or Spanish lesson outside the exam period.

Students will attend school as normal during this period and they will either be sitting an examination or revising in lessons. The usual timetable will resume on Monday 20th November 2017 except for those students taking GCSE Art who will have their practical examination that morning.

The Year 10 mid-course examinations represent an important opportunity for students to practise key skills such as time management, organisation and revision skills, which will all be essential for their success in future examinations. It is important that all students prepare thoroughly for their exams if they are to use the experience as effective preparation for the actual GCSEs in Y11.

Students should arrive promptly in school and register in their form rooms with their tutors. Students with an 8.50am exam will then be escorted to the hall. Please note that students must wear full school uniform during this examination period.

If a student misses any papers because of illness, please inform the school of their absence in the usual way. Once recovered, the student should see the relevant member(s) of staff to organise to sit any exams they have missed.

Thank you for your support in ensuring that students are well prepared. We are confident that the Y10 examinations will be a valuable learning experience for all.

Yours faithfully

Mrs. P. Doig

Deputy Headteacher
