Year 8 Exams; Week commencing 21st May 2018

April 2018

Dear Parent / Carer,

As part of the school's assessment cycle, Year 8 students will sit internal exams in all subjects during the school **week commencing 21st May**. Please see the exam timetable overleaf.

The Year 8 exams week represents an important opportunity for students to practise key skills such as time management, revision skills, and personal organisation which will all be essential for their future success as they progress through the school. Students will be expected to revise for these exams and the school welcomes your support in encouraging your child to work hard towards achieving their potential.

The exams will take place in normal lesson times and timetabled rooms during the week and students will be advised by their subject teachers as to the format and content of each exam. When students are not sitting exams they will be revising in supervised sessions.

If your son/daughter requires any further guidance on the nature of the exam in a particular subject, they should speak to their teacher in the first instance.

Yours faithfully,

Mr D Spencer
