WELCOME FROM THE HEAD TEACHER

Welcome! My name is Dean Jones and I am the Headteacher here at The Crossley Heath School. It's a privilege to lead this remarkable school. Crossley Heath is steeped in rich history that dates back to 1585 with education taking place on this site since 1864 when the building was founded as an orphanage and school. This heritage provides the basis of inclusivity and social mobility that we still have at the heart of our ethos. We are an inclusive school family, building on our proud heritage to achieve our vision to be **"The leading school for educational excellence, where we nurture happy students with strong values so they all contribute positively to society"**. We believe in realising every student's potential to change the world for the better. Promoting values of kindness, courage and excellence from our students.

One of the most wonderful features of Crossley Heath is our warm, vibrant school culture, with a rich diversity of students from all backgrounds. We have aspirational classroom environments, a house system allowing all students of all ages to collaborate and compete, as well as commitment to a vast range of extra-curricular opportunities through clubs, sports and trips across the country and the world. This sense of care and community extends to our dedicated staff, who are passionate educators committed to the students and school we serve. If you are a hard-working individual who thrives in a collaborative and supportive environment, I encourage you to explore the exciting opportunities at Crossley Heath School. We are always seeking talented individuals to join our team and contribute to the ongoing success of our students.

We are delighted that you are interested in applying for our Chemistry Teacher position. Here at The Crossley Heath School, we really value science education. It is compulsory for students to study the three separate sciences at GCSE, which they do with enthusiasm. As our students are academically very able, it is fitting that they are taught exclusively by subject specialists. As such, you will have the opportunity to comprehensively develop your subject knowledge and teaching skills as you work with our bespoke curriculum. Our science A Level courses have a strong uptake in year 12 and year 13. Therefore, there is opportunity for all our science teachers at Crossley Heath to play key roles in our A Level teaching teams.

Details of the application process can be found on page 10 of these documents. Please visit our website (www.crossleyheath.org.uk) to explore the school further. Please do not hesitate to get in touch with the Chief Operating Officer, Mrs. Debbie Gallimore, (d.gallimore@crossleyheath.org.uk) if you require any further information in the first instance.

I hope you will take the opportunity to explore further and decide that this role is the right one for you and we look forward to receiving your application.

Dean Jones M.A.

INFORMATION ABOUT THE SCHOOL

WHO WE ARE AND WHAT WE STAND FOR

At Crossley Heath we see ourselves as a school family. Our school building was founded as an orphanage and school 160 years ago and the spirit of inclusivity and social mobility on which we were founded lives strong today. The school evolved into an amalgamation of Crossley and Porter and Heath Grammar Schools allowing us to trace our heritage back to 1585 and the origin of the school motto 'Omne bonum ab Alto' meaning "all good things come from above" which can both have a spiritual dimension and remind us to be thankful to the generations before.

We are a grammar school for entry into Year 7 which means students of all backgrounds are welcome at our school, they just have to show the aptitude to excel on the entrance examinations. We are proud of our diverse student body and much higher proportion of students accessing Free School Meals than other grammar schools as inclusion is at the heart of our ethos. We have a thriving sixth form which is integral to the life of the school. We embrace and celebrate our wide ethnic and geographic diversity and endeavour to be a genuinely warm, inclusive and vibrant school community.

OUR VISION: We truly look forward to welcoming students to The Crossley Heath School and championing their success throughout every moment of their time with us. We are **a school with a heart** and consider our staff, students and their families to be a school family. Our vision is to be **the leading school for educational excellence, where we nurture happy students with strong values, so they all contribute positively to society.** The happiness of our students really matters to us. We know that academic achievement will give them the brightest choice of future careers which will allow them to be happiest. Our aspiration is for our students to spread happiness too as positive role models for our values of kindness, courage and excellence. Our students will influence society for the better, leaving our school committed to making the world a better place.

OUR VALUES: **Our values are kindness, courage and excellence.** Crossley Heath students have the kindest manners, support others in a spirit of philanthropy and are inclusive in welcoming all people into our school family. We stand up courageously for what is right, celebrate the diversity of people from all backgrounds, recognise that the resilience to bounce back from failure is central to success in life and we develop the confidence to help influence the world to become a better place. Excellence is our goal, excelling academically through hard work, giving our all to sports and the arts, seizing every opportunity to shine.

OUR PURPOSE: **Unlocking potential; building leaders of the future.** We are a grammar school with the purpose of promoting the highest achievement and most aspirational future destinations for our students. In this way we are an engine for social mobility as we unlock the potential of the most academically able students, regardless of their background, to achieve the highest of goals. Our heritage has blessed us with a truly unique building and a spirit of philanthropy, such that we have a desire to promote the welfare of others through giving our time to support and fundraise for charities helping the most vulnerable in our local community. We are here to develop students with the strength of character, aptitude and positive commitment to sharing happiness as leaders of the future.

We have a vibrant House system which adds a strong sense of positive competition and affords students an opportunity to express themselves, demonstrate their talents, make lifelong friends and have fun. Indeed, many former students comment that some of their fondest memories are of taking part in activities for their House. Student leadership is a strength at Crossley Heath with all students, led by 6th form leaders, taking part in fundraising, Eco Schools, health and well-being initiatives. Extra-curricular activities, especially a wide variety of sports, are also a strength of the school as we have teams competing in rugby, football, netball, cricket and athletics throughout the year. Our school trips are also many and varied across all subjects and with overseas trips ranging from Belgium to Berlin and Canada to China.

Partnership building is a Crossley Heath characteristic as we are a school family with highly supportive parents, carers and families, a vibrant local community and alumni who stay connected to our school for life. We care deeply about wellbeing and believe in being the friendliest and happiest school possible. Our staff are supported with a culture of listening, collaboration, commitment to professional development and an additional weekly free period on top of that typical in schools by way of a thank you for all that teachers do to support our wonderful students. Our students are the warmest and most welcoming people, they make being part of the Crossley Heath school family an absolute pleasure. Come along and see for yourself!

Head Teacher: Mr. Dean Jones M.A

Teacher of Chemistry

From September 2026

MPS

Maternity Cover 2026-27, one-year temporary contract

A rare opportunity has arisen to join the highly successful and very supportive team of well qualified and experienced science teachers at Crossley Heath. This post is for a period of maternity cover and will last for the academic year 2026-7. Our students enjoy their science subjects and their progress across all key stages is excellent. We would like to appoint an enthusiastic, highly motivated teacher to maintain, and build upon, the excellent results achieved by the students. You must have strong subject knowledge and be a confident teacher of Chemistry in KS3 and KS4. The ability to teach A Level Chemistry will be an advantage.

This is an excellent opportunity for an ambitious teacher looking to develop their practice and gain experience within a highly successful and supportive school.

At The Crossley Heath School, our vision is *"To be the leading school for educational excellence, where we nurture happy students with strong values, so they all contribute positively to society."* We are a school with a heart. We care deeply about our students and recognise that they are among the most rewarding young people to work with — curious, motivated and engaged — making teaching here a truly wonderful and fulfilling career.

We are a very friendly, down to earth school with a diverse student population. We welcome applications from all backgrounds. Applications from ECTs are welcome.

Information about the school is available on our website together with an application pack and further details about the post. All completed applications should be returned to Mrs Gaynor Fisher, Office Manager (recruitment@crossleyheath.org.uk) by 8.00am on Tuesday 19 May 2025 Interviews will be held on Friday 22 May 2025.

We are committed to safeguarding children in all aspects of recruitment and selection. The appointment will be subject to pre-employment checks, including an enhanced DBS check.

We believe our staff are the school's greatest asset. We have signed up to the Education Staff Wellbeing Charter with the aim of supporting the wellbeing and mental health of all staff.
