Parents

Please discuss the code of conduct with your son/daughter. If, because of unacceptable behaviour, it becomes necessary for your son/daughter to be returned home before the scheduled return of the trip, he or she will be over the age of sixteen and so he/she will be asked to travel home alone by rail. You will be informed that this is to happen. **You will be responsible for all expenses incurred.**

We may have time to visit a small village on our return from Anglesey or Harlech as well as stop at a motorway service station on the way to and from Wales. During this time your child will not be directly supervised, but will know where a member of staff is available for help if necessary. Please sign below to say you agree with the behaviour policy and to visiting these sites without direct supervision. If you have any questions about the code of conduct or the activities, please do not hesitate to contact me.

Kind regards,

Mrs Lea.
