26 November 2020

Dear Parent/Guardian

I write to advise you about some key information for the end of term and also the activities we have planned for students in the run up to the Christmas holidays. At this time of year we usually have many house and fundraising activities and, despite the Covid restrictions, we want to provide as many things as we can.

Accordingly, next week we will launch three exciting competitions:

- House Tree Decoration competition – deadline Monday 7 December
- House Winter Bake competition – deadline Monday 14 December
- House Talent competition – deadline Friday 11 December

In addition, we are holding some other fun events which will help lift spirits in school after many challenging months and at the same time will support our local community.

8/10 December Christmas grab a bag lunch option. In the absence of our usual delightful Christmas lunch enjoyed by so many staff and students, students this year will be able to order a turkey sandwich and there will be other festive goodies in their bags on these two days. A small but important change to normal lunches. Available to all students and instructions can be found on the front page of the school website.

17 December Non Uniform Day for Calderdale SmartMove which supports the homeless.

Throughout December we are collecting tins and other non-perishable goods for local foodbanks, the deadline for items will be 11 December.

Students will receive full details of all these activities through during tutorial sessions.

We value the opportunity to enable students to appreciate some House and community fundraising experiences which help make this school so special and create lasting memories. Please encourage your son/daughter to take part.

School will close on Friday 18 December at 11.50 am and the bus companies have been notified.

Thank you for your ongoing support this term, it is very much appreciated.

Yours sincerely

Lynnette Cassidy
Headteacher
