Dear Parent/Carer

As mentioned in our email sent out at the start of term, the PE Department are aiming to deliver a range of Physical Education lessons as far as possible. On occasions however when the weather is inclement, we will be delivering a leadership course based on the Sports Level 1 award with our year 9 pupils.

The course will teach generic skills such as organisation, planning, communication and teamwork through the medium of sport.

The course consists of three units of work including one hour demonstration of leadership (which might include leading a warm up, teaching a skill or umpiring or refereeing a short game with their peers at school.)

Units of work:

1. Establishing leadership skills
2. Plan, assist in leading and reviewing sport/physical activity sessions
3. Complete 1 hour of leadership to their peers

Successful students can convert their achievement into the formal Sports Leaders level 1 award which is an excellent addition for students to include in their CVs for the future.

This is optional and those electing to do this will be required to pay for their certification. The cost of this is £23.50. Students will receive for this a learner evidence record and certificate when they complete the course. All students will take part in the Sports Level 1 award irrespective of whether you wish to obtain certification at the end of it.

If you would like your son/ daughter to be registered for the formal Sports Leaders course, can you please complete the slip below and return by email to the PE intern r.twibill@crossleyheath.org.uk and make payment of £23.50 via parentpay by Friday November 12th 2020

Yours sincerely,

S. Mallinder (Assistant leader PE Department)
