Dear Parent/Carer

I am writing to inform you that our scheduled Tutor Event due to be held on the evening of Tuesday 17th November will not be going ahead due to the on-going Covid-19 restrictions.

We know how important building positive relationships with parents and carers can be in the holistic development of our students. This is most effectively done face to face and we are disappointed that we are unable to do this at this time.

In place of this event I would like to invite parents/carers to send in, via email, any general questions that you would like to raise. My email address is c.davis@crossleyheath.org.uk. If I could ask that questions are sent in as soon as possible but no later than Friday 20th November and I will ensure that they are addressed in a virtual format that will be made available on our website. We will not be able to address any specific questions about individual students in this virtual format.

Each form tutor will be providing parents/carers with a general form group summary. If you have any individual student pastoral matters to raise then please direct these personally to your child's tutor, myself or Mrs Griggs, e.griggs@crossleyheath.org.uk. If you have any queries relating to curriculum subjects then these should be directed to your child's subject teacher.

I look forward to working alongside you in building on the very positive start Year 7 have made in their first term.

Kind regards

Mr C. Davis
