14 October 2024

Dear Parent/Carer

Our annual prize giving event is one of the highlights of the school calendar and a time to celebrate the wonderful achievements of our students.

The awards are traditionally funded by former students, colleagues or local businesses. We have a small number of prizes for which sponsorship has now expired and we are actively seeking support so that we can continue to offer these prizes. I am reaching out to those parents who may own a business or who may work for a company who might be interested in sponsoring a prize.

Below is a list of prizes which are available to sponsor and the financial commitment required for each one for this year only.

- Head boy - £25 token
- Head girl - £25 token
- Deputy head boy - £15 token
- Deputy head girl - £15 token
- Business studies prize - £25 token
- Biology prize - £25 token
- Sociology prize - £25 token
- Design technology prize - £25 token
- Psychology prize - £25 token
- School music prize - £25 token
- English prize - £25 token
- History prize - £25 token
- Geography Prize - £25 token

The prizes above currently have a monetary value to the students by way of a voucher. There isn't a cup/shield/trophy. We are seeking sponsors for this year only. In the new year, I would like to revamp our list of prizes to include more trophies and medals for students to keep as a memento. This would involve a longer term commitment from a sponsor and this might be something you may wish to consider moving forward after this year. All sponsors are acknowledged in the programme and invited to be with us at our Prize Giving event.

I would be most grateful if you will consider sponsoring a prize this year with a one-off donation and very much look forward to hearing from you by 1 November if you are able to support us.

With thanks in advance.

Yours sincerely

Debbie Gallimore
Executive Leader
