13 November 2024

Dear Parent/carer

We are excited to announce our upcoming Careers Week Fortnight, a special event designed to inspire and inform our students about the diverse and exciting career opportunities available to them within the field of art.

During this fortnight, we will be hosting a series of engaging activities and workshops that will explore various career paths, from traditional art professions to emerging digital and creative industries. Our goal is to equip students with the knowledge and skills they need to make informed decisions about their future.

I have included the timetable for the fortnight which will show what events are taking place on each day.

I would also like to share with you and invite you to join us at the Creative Careers Festival on 19<sup>th</sup> November from 3pm to 7pm at Calderdale College. This event will provide an excellent opportunity for you and your child to:

- Network with industry professionals
- Learn about emerging trends and technologies
- Gain insights into specific career paths
- Discuss potential opportunities with experts

We believe that by attending this event, you will gain a deeper understanding of the exciting possibilities that lie ahead for your child. I have also included the timetable for this event.

Finally, I wish to share further information about the different pathways art can take you in and the benefits of studying Art, which is included in the attached leaflet. This has been requested by several parents recently and I hope you find the information useful.

Yours faithfully

Mrs R Henson  
Department Leader of Visual Arts
