RE: Year 11 Parents' Evening

Dear Parent / Carer,

Please find enclosed the details for the in person Year 11 Parents' Evening scheduled to take place on Tuesday 11th February 2025. This is an important event and we encourage you to make every effort to attend.

Lessons will finish at the end of period 4 on Tuesday 11th February and Parents' Evening will begin at 3.10pm. The evening will finish with the last appointment at 6.45pm.

Appointments still need to be made using School Cloud and so please log in to:
<https://crossleys.schoolcloud.co.uk/> and enter your details as specified on the webpage.

Parents are able to book their own appointments and choose which teachers to see. Appointments are made on a first come first served basis, and the system will only allow you to book appointments with the teachers your student has for lessons. Because some students are taught by multiple teachers, please make sure you book with your students' help as some subjects will have told students who to book with. It is advisable to leave a 5-minute gap between appointments to facilitate moving from one member of staff to the other.

Appointments last for 5 minutes and we would kindly ask that on the evening this time frame is honoured in order to ensure that the evening does not run over. **The booking system will go live from Monday 3rd February at 6pm and close on Friday 7th February at 6pm.**

We ask that, other than in exceptional circumstances, only one appointment is made per pupil with each teacher. We think it is beneficial for the student to attend with their parents and would encourage them to do so.

There will be the opportunity to speak to A Level Sixth Form students about their experience in the Sixth Form. They will be representing A Level subjects in the dining room where you will also find refreshments. At 5pm appointments will be paused for 20 minutes and a presentation will take place in the Main Hall.

We are very much looking forward to seeing you in person at this crucial stage in Year 11. Parents' evening is an opportunity to receive valuable feedback from teachers, and address any concerns you may have. It is also an opportunity for us to celebrate your child's achievements and to recognise their efforts in the classroom. Your presence and participation contribute to creating a supportive and collaborative learning environment for your child and their peers at this important time.

For your information a guide to SchoolCloud is attached.

If you have any further questions, please contact Mr P Smith on p.smith@crossleyheath.org.uk.

Yours faithfully,

Mr P. Smith
