

A-Level Field Trip Kit List

Here is a full list of what will be needed for your trip. Much of this can be borrowed from our kit stores and this is included in the cost of your course. The list of what can be borrowed from us is located at the bottom.

Equipment	Packed?
Personal clothing to include warm and comfortable clothing (not jeans for out in the field) LIKELY TO GET CLOTHES WET AND DIRTY!	
Thick socks to wear in wellies and walking boots.	
Small rucksack for use in the field to carry lunch and other equipment. If you have a waterproof liner or overcover bring that as well.	
Warm hat and gloves.	
Sun hat (in summer) and sun cream.	
Refillable water bottle.	
Waterproof Jacket	
Waterproof Over Trousers	
Walking boots	
Wellies (if doing river or peatland study)	
Clipboard with waterproof cover.	
Face mask and hand sanitising gel.	

If you are completing NEA data collection for A-Level Geography or Required Practical 12 for A-Level Biology, then laptops would be helpful during some classroom session. Rhyd-y-creuau can provide some when required, however we are happy for you to bring your own if:

- Your school are happy for you to bring it.
- And, you and your family are happy that it is your responsibility to look after it and we won't take responsibility for any loss or damage incurred during your stay.

The following equipment may be borrowed from our stores at no extra cost!

- Small rucksack for use in the field
- Warm hat and gloves
- Sun hat and sun cream
- Waterproof Jacket
- Waterproof Over Trousers
- Walking boots
- Wellies
- Clipboard with waterproof cover
- Laptop

Styles and Sizes are limited.
