Music Teacher 0.32fte

We seek to appoint an imaginative, enthusiastic and committed person to join our Music Department. An outstanding classroom practitioner, you will be required to teach across KS3 and KS4 and have a strong commitment to extra-curricular activities. We are looking for a competent pianist able to accompany pupils and school groups. In addition, there may also be the possibility of some peripatetic work. Applications from NQT's are welcome.

The Music department aims to provide the best possible opportunities for students in and out of the classroom. In addition to the curriculum, enjoyment of music is embedded into school life generally and we have many talented students who take part in various bands, school productions, concerts and house music activities. Music tours have travelled as far as Germany and Barcelona.

We are looking for someone who can establish positive relationships with students and who has the desire to participate fully in the life of the school.

We look forward to hearing from applicants who are passionate about music and who are willing to embrace the ethos of the department.
