

# Mr Barran

## Teacher of Maths

### Welcome to Crossley Heath!

Welcome to the start of your Crossley Heath journey. I am Mr Barran and my journey only started last September when I joined as a Maths teacher; although, next year you will find me teaching Maths, French and Computing.

Due to being relatively new to the school myself, I am in the best position for understanding your needs as you begin life at secondary school. It is an exciting time, but understandably, you may feel nervous and anxious. However, my first impression upon joining was the friendly and inclusive school family which you will soon become part of.

### School Life!

In Year 7, you will share all your classes with the students in your tutor group, which will allow you to build strong friendships and relationships with your peers. You will also see me each day for tutorial where we will be able to get to know each other well. As such, I am your first point of contact – if you have questions, concerns or simply want to talk, then you can find me before/after school, at break or at lunch.

Another important aspect of school life is House forms and activities. Whilst I wish for you all to do well, I am afraid my loyalty is with those of you in Savile!

***"The only way to make sense out of change is to plunge into it, move with it, and join the dance!" – Alan Watts***

Respect ~ Responsibility ~ Self-Belief ~ Purpose ~ Challenge ~ Aspiration
